

### Example of Rotation:

Year	Content and Sequence of Rotations Number of 4 week Blocks												
	1	2	3	4	5	6	7	8	9	10	11	12	13
First	NS	NS	NS	PS	PS	ER	N	N	N	IM CCU	GS Trauma	GS Trauma	IM Endo
Second	NS	NS	NS	Spine	Spine	Spine	OTL	OTL	Vasc	Vasc	ICU	ICU	ICU
Third	Com NSx	Com NSx	Com NSx	NS	NS	NS	Com NSx	Com NSx	Com NSx	NR	NR	NR	NS
Fourth	NS	NS	NS	NP	NP	NP	NS	NS	NS	E	E	E	E
Fifth	Spine	Spine	Spine	Spine	Spine	Spine	PNS	PNS	PNS	PNS	PNS	PNS	PNS
Sixth	NS	NS	NS	NS	NS	NS	NS	NS	NS	NS	NS	NS	NS

*NS = Neurosurgery; PS = Plastic Surgery; ER = Emergency Medicine N = Neurology; E = Elective / Research; Com NSx = Community Neuros; IM Endo = Internal Medicine (Endocrinology); PNS = Pediatric Neurosurgery; IM CCU = Internal Medicine (Cardiac Care Unit); GS Trauma = General Surgery / Trauma Service NR = Neuroradiology; NP = Neuropathology*

### Recommended Content of Training:

Description	Duration	Sites in which this training may be taken
Adult General Neurosurgery	27 blocks *	Vancouver General Hospital/Lion's Gate Hospital/Victoria General
Spinal Neurosurgery	9blocks *	Vancouver General Hospital
Pediatric Neurosurgery	6 blocks	BC Children's Hospital
Neurology	3 blocks	Vancouver General Hospital
Neuropathology	3 blocks	Vancouver General Hospital
Neuroradiology	3 blocks	Vancouver General Hospital
Critical Care Medicine – ICU	2 blocks	Vancouver General Hospital/Victoria General
Internal Medicine	2 blocks	Vancouver General Hospital/St Paul's Hospital
Otolaryngology	2 blocks	Vancouver General Hospital
Vascular Surgery	2 blocks	St. Paul's Hospital
General Surgery – Trauma	2 blocks	Vancouver General Hospital
Plastic Surgery	2 blocks	Vancouver General Hospital
Emergency Medicine	1 blocks	Vancouver General Hospital

### Elective Content of Training:

Description	Duration	Sites in which this training may be taken
Community Neurosurgery	3 blocks	Kelowna: Kelowna General Hospital New Westminster: Royal Columbian Hospital North Vancouver : Lions' Gate Hospital Victoria: Victoria General Hospital
Clinical or Basic Science Research	3 blocks or longer	Any university approved by the REC and RCPSC
Other Clinical Rotations Neuro-ophthalmology Neuro-oncology Additional Neuroradiology Additional Spine Additional Adult Neurosurgery	1 – 3 blocks	Vancouver General Hospital Other centers approved by the REC
